What a great way to end the month of June. The social and dinner were well attended. TPM Chairman of the Board, Tom Shaffer (Neiman Enterprises) passed the gavel to Dan Claridge (Thompson River Lumber Company). TPM’s 13th Annual Golf Tournament was held Friday afternoon, June 30th. It was a warm and beautiful day, with about 80 players participating. Unfortunately, no one was able to drive the hole-in-one to win the Honda Side by Side (On display from Coeur d’Alene Powersports). The bright blue vehicle would have looked good in any golfer’s driveway!

Net proceeds from TPM’s Annual Golf Tournament support the Scholarship Program and allow TPM to award annual scholarships. Next year’s scholarship applications must be submitted by January 30, 2018. Any TPM member employee or family member of an employee pursuing higher education is eligible to apply. See the TPM website for more information (www.timberassociation.com).

Although the weather was warm and enjoyable, there is always a sand trap out to get you!

After a long hard day on the links, participants enjoyed a fajita dinner at the club house.

Adam presents the “Best Team Score” winners with an iPod shuffle, not a bad days work!

Coeur d’Alene Powersports provided a display of the Honda Side by Side that a Hole-in-One Winner could win! Nicely decked out worth over \$17,000.
