

TPM Golf Tournament

Spokane, WA

Timber Products Manufacturers held its 14th golf tournament this year. Net proceeds from the golf tournament have helped support the TPM Scholarship Fund since its inception in 2014. This year the tournament was held at Hangman Valley Golf Course on June 15, 2018. What a great day.

Getting ready for the event was a lot of work, but everyone enjoyed it. In addition to the social and dinner after golf there were additional events including contest awards, a silent auction, raffle, and grand prize raffle.

TPM would like to express its gratitude to all of the wonderful sponsors and for the donations that were given this year. We could not provide such a fun event without them.

The TPM Scholarship Program awarded three scholarships this year and amendments to the program are being considered. (Watch the TPM Newsletter for details.) The following students received scholarships; two of the students were able to attend the Board of Director and Trustee Dinner on Thursday night, June 14 to receive their awards.

Jacob Harris, Rushmore Forest Products, Hill City, SD

Brooklin Hunt, Hunt's Timbers, Inc., St. Ignatius, MT

Haley Morgan, Thompson River Lumber, Thompson Falls, MT

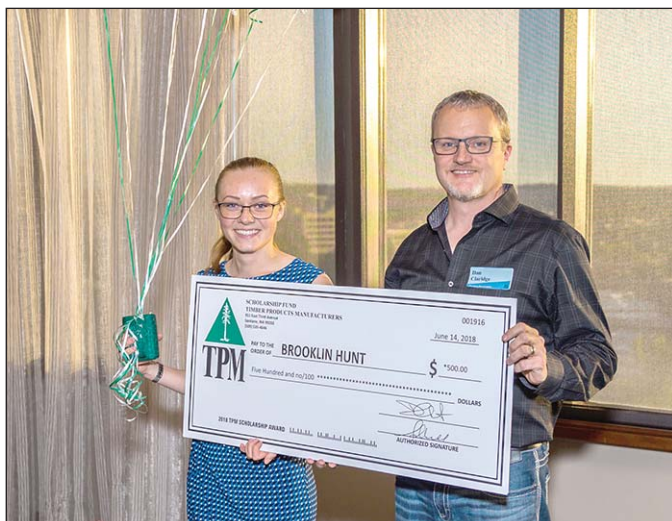

Plan now to attend next year's annual event and consider being a sponsor for this good cause.

TPM Board Chairman, Dan Claridge introduced his family to the guests during the Scholarship Awards Ceremony.

Adam Molenda, President, speaks to the guests before dinner.

Brooklin Hunt and Dan Claridge presenting Scholarship check.

Adam Molenda, Haley Morgan and Dan Claridge, presenting a Scholarship check.

Latitia Estrada and a couple of dummies!
The Polaris Razor could be won by sinking a HOLE-IN-ONE!

Practice and warm-up on the water driving range.

Putting green warm-ups before starting play.
