COVID-19

Tips and Resources for Small Business Owners

As developments continue to unfold in response to the spread of COVID-19, we are compiling tips and resources, information on new funding opportunities and policy developments that we are sharing on our website and through online presentations. Sign up for one of our upcoming webinars or visit our [COVID-19 Resource Portal](#).

National Webinars:

The COVID-19 pandemic is affecting our entire country and in particular, our small business community. In this time of rapidly changing information, we know that small business owners need help to address urgent financial concerns and access critical resources for themselves.

COVID-19 tips and resources

Today we launched a [new portal on our website](#) to keep you up to date with the latest resources for small businesses, as well as information about other upcoming events and policy recommendations.

Check out the website to register for an online presentation, access resources from government agencies, and more. We are adding more state resources to the site and are updating this daily, so please check back regularly!

Looking for small business loan options?

[Venturize](#) is a free online resource hub for small business owners like you who need help accessing tools and resources to grow their businesses. Managed by Small Business Majority, Venturize offers unbiased education and resources about small business loans, retirement and healthcare to empower entrepreneurs to make the best financial

decisions for their business.

Small business owners can also connect with resource providers in their area through our [Resource Locator Map](#) and access tools, articles and other resources to help them get loan-ready.
